Creative Interactive Arts and Technology student at SFU with more than 2 years of experience in UX/UI Design. Designing projects along with working in a team environment has developed leadership and decision making skills. Meeting new clients and handling their requirements have helped me in enriching my decision making skills

## UX/UI Experience

May 2021- August 2021	Social Connection <b>UX Designer</b> , <i>Academic Team Project</i> <ul style="list-style-type: none"><li>Created a Social Media page as an enhancement to a online marketplace</li><li>Designed medium and high fidelity prototypes using Figma.</li><li>Developed interactive design for the Social media page based on certain principles and design process.</li></ul>
